Last Minute Offer

What if all these cataclysms blamed on the changing climate were rather the prelude to what the Bible calls the great tribulation?... What if the moral decay of our modern societies was in fact the apostasy of christian nations predicted by the Holy Scriptures?... Why take the risk of remaining in such peril? We definitely need to consider (over)

these things as divine warnings, confirmed by the Word of God. You should therefore be very attentive to the message of hope that God still offers you at this late hour of the history of mankind. The message is simple yet very solemn; it concerns the Lord Jesus Christ, the Son of God Who came to die on the cross to save sinners (cf1 Timothy. 1:15). His work is finished; He is risen from the dead and is still seeking you now in the very last moments of His great patience and longsuffering. Will you not come before it is forever too late? We pray you in Christ's stead, be reconciled to God (2 Corinthians 5:20). The dark clouds of judgment are already on the horizon, don't put it off any longer, the Lord is at hand!
