

## Endemic ignorance

"*Heard the latest news about COVID-19?*"  
... "*Covid what?*"

"*Come on! Are you kidding me? You know! The pandemic?*"  
... "*What pandemic? What's a pandemic anyway?*"

"*It's a worldwide sickness now spread across the planet! The news media talk about it every day. Millions are or have been infected and millions have died. Haven't you heard?*"

Surprised anyone could be so ignorant today? I doubt this could really be! But then one might have heard and not pay attention, going about as if nothing happened. They would soon be challenged if they did not wear a mask or keep their distance. Ones around them would surely inform them in no time. They could then be considered voluntarily ignorant couldn't they? Painful consequences would surely ensue.

Endemic: a disease is so called when it is common in a certain area or country. Malaria, for example, is endemic in certain African countries. Ignorance seems endemic and very common in Western countries. Not about COVID-19, they all know about it and seem unable to talk about much else. But what about Jesus, the Name above every name which they have heard about and have done nothing about. Current events have affected the whole planet haven't you noticed? Much talk about health, vaccines, isolation, quarantine but not much about God!

Take notice please! You are living on a planet soon to go through unprecedented events, upheavals and overturning of things. The Lord Jesus Christ, the Son of God is coming back soon to settle accounts and set up his kingdom of peace and righteousness.

... "*Never heard of Him?*"  
"*You're kidding me? There used to be Bibles in every hotel room you ever stayed in!*"  
... "*Yes! But not anymore!*"

I am telling you the horizon is dark, I am persuaded we are on the verge of the great tribulation! Please listen to what God is saying to this world who has rejected his Son, who has crucified Him, and has added error to or denied the Truth He has given us concerning Him. God will soon set up his King and his Ruler and is still calling all men everywhere to repent. "*God... now commands all men every where to repent: Because he has appointed a day, in the which he will judge the world in righteousness by that man whom he has ordained; whereof he has given assurance unto all men, in that he has raised him from the dead*" (Acts 17:30-31).

This is not about vaccines, masks or distancing! It is about the incomparable good news of eternal salvation! "*God so loved the world, that he gave his only begotten Son, that whosoever believes in him should not perish, but have everlasting life*" (John 3:16). Neglect and perish, believe and live! Don't be voluntarily ignorant!
