

## Warning Shots

The warship fires its guns pointing its turrets to the sea. This signals that should the pursued ship or shore facility not respond immediately and adequately, the next shots will be on target. The policeman fires his gun into the air warning the fleeing criminal that the next shots will wound or even be fatal should he not stop and surrender.

Have you noticed the warning shots lately? Forest fires across Europe and North America even lately Hawaii, the paradise island? Flooding here and there! Excessive heat, record-breaking in many places. All this is attributed in the media to climate change. This could very well be the means God is using but, make no mistake, He is behind these warning shots. We need to stop and surrender to God. He is warning us of much more severe judgments now appearing clearly on the horizon. Do not be negligent of His patience. He is not willing that any should perish but some will and we pray you would not be part of those. "*The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance.*" (2 Peter 3:9)

The moral and political atmosphere of this world has never been more opposed to the God now revealed from heaven. Take notice of the warning shots; stop and listen to the instructions following these. God has manifested Himself in the blessed person of the Lord Jesus Christ Who *came into the world to save sinners*. He saves them by paying for their sins on the cross by the sacrifice of Himself. This has been done, completed, accepted, never to be repeated, and has been preached all over the world.

You already have heard the message of God's love? Or you may be hearing it for the first time? No matter! He is calling you to repentance and acceptance of His undertaking for your salvation by delivering His own Son to the torments of the cross to spare you from his judgments: the soon coming ones and the eternal one. This earth is soon to experience the judgments described in the book of Revelation and elsewhere in the Bible. And after God's final plans for the earth come to pass, there will be eternal judgment for those who will not have believed in His Son the Lord Jesus Christ. "*Whosoever was not found written in the book of life was cast into the lake of fire*" (Revelation 20:15)

Warning shots are loud. They are meant to be heard and affect those being warned; that is the intent. Are you listening? Have you heard them? There have been many since the beginning of this new decade: a worldwide pandemic, major catastrophes in many places, even reminding us again across the world of the sad fate of any pretension linked to the Titanic. We pray you will have taken notice and act accordingly, that is, repent from your sins and accept the free gift of forgiveness and eternal life God graciously offers and gives to those who believe on the Lord Jesus Christ. "*Believe on the Lord Jesus Christ and you will be saved*" (Acts 16:31). Jesus alone can *deliver us from the wrath to come* (cf 1 Thessalonians 1:10)
