

Miracle at the Market!

A person shopping at the market received a paper just like this one. He took a moment to read it. It had plain text like this one. The title was "*Miracle at the Market*" just like this one. The person read the short message; it was a simple invitation to turn the paper over and read what was written on the back. The person turned the paper over and read the Bible verses on the back, believed them and received the forgiveness of sins and the gift of eternal life – the greatest miracle ever! The person had entered the market lost (*like you perhaps?*) and left saved forever. So any person receiving "*Miracle at the Market*" who turns it over and reads the verses on the back and believes them in their heart can also receive the forgiveness of sins and the gift of eternal life – another potential great miracle. Great miracles can happen to anyone at the market and could happen to you right now. Don't leave here still lost, turn this paper over and believe for yourself and the great miracle will happen to you too.
